

ScanCalverley

High pressure waterproof protective boots

Product code: 2520.15

Features

- Protective, waterproof boot provides up to 500 bar/7500 psi
- Impervious to water, backed by a textile inner lining to ensure wearer's comfort
- Steel toecap and inserts for maximum safety and durability
- Sole designed to reduce slipping
- Strap on boot shaft allows for adjustment
- Can be outfitted with spikes for wear in icy conditions
- Easy to put on and remove
- Please note: the colour of the ScanCalverley has been updated with a change from Black/Blue to Black/Yellow. We will begin shipping ScanCalverley in Black/Yellow following the sale of our existing inventory.
