

Connector-A

Connector-B

3M Protecta Shock Absorbing Lanyard 1.8 m Twin Legs

Shock Absorbing Lanyard

Product code: 5525.62

Features

- Connector-A:
 - Oval carabiner
 - Screw gate
 - Breaking strength: 25 kN
 - Opening: 17 mm
 - Material: steel - zinc plated
- Connector-B:
 - Scaffold hook
 - Self-locking
 - Breaking strength: 23 kN
 - Opening: 50 mm
 - Material: steel - zinc plated
- Composition: polyamid / polyester
- Weight capacity: min. 50 kg / max. 140 kg
- Maximum peak force: <6 kN
- Operating temperature: -35°C / +57°C

Norms and standards

- CE Certified
- EN 355:2002

Available sizes

1.8 m
